## Lot 7 – Junior Livestock Dairy Cattle

1. All exhibitors are required to wear white shirts while exhibiting animals in the ring.
2. All rules governing livestock in the General, General Livestock, and Special Rules apply to this department.
3. **ALL New Mexico Livestock Board rules apply regarding Certificates of Veterinary Inspection, Tuberculosis, and Brucellosis. Please see New Mexico Livestock Board rules to ensure full compliance.**
4. All animals must be owned by the exhibitor and verified at tag day.
5. If there are any questions about the age, identification or breed of any dairy animal, the Dairy Superintendent and the fair Veterinarian will make the appropriate determination about eligibility.
6. All dairy cattle entries are due July 15, 2022. Bring registration paper or Bill Of Sale to check in at the fair.
7. Registered cattle cannot be entered unless they have been recorded in the recognized book of records for the respective breeds. Exhibitors of such cattle must take available certificates of registry to the Dairy Superintendent at any time during the fair.
8. Grade cattle must be accompanied by a certificate from the breeder of the animal stating sire, dam and birth date. A bill of sale is also required. There will be no crossbred cattle. Grade cattle must meet general breed standards and be purebred.
9. Where there is no competition, animals may be awarded first, second, third or no premium according to the merit of the animal. If there are not enough registered or grade animals to make a separate class (minimum of 3 animals to make a class), registered and grade animals will compete in the same class. This is to be done at the total discretion of the superintendent.
10. Exhibitors are responsible for keeping pens neat and aisles clear at all times. Cattle are to be maintained by the exhibitor throughout the Show, making sure they are well kept, well groomed, and in show condition. Public aisles and walkways must be kept clear of tack, chairs, equipment and animals.
11. Cattle with sickness or abnormalities. The Livestock Committee reserves the right to reject cattle showing signs of sickness, lice, ringworm, (or other skin conditions including those commonly known as “fungus”) abscesses, ulcerations, abnormality or uncontrollable temperament. The Committee's decision is final and entry fees will not be refunded. The exhibitor must remove a rejected animal from the grounds immediately upon decision of the Committee.
